

Johnson Evinrude Regulated Rectifiers

Why Regulated Rectifiers?

- Replaces Standard Rectifiers with More Consistent Power Levels
- Protects Sensitive Vessel Electronics
- Zero Engine Modifications Needed
- Fits Most Johnson Evinrude Engines

Johnson Evinrude			
	Standard Rectifiers	VS	Regulated Rectifiers
A.	153-3408	—————	193-3408
B.	153-0656	—————	193-0656
