

INSTRUCTION SHEET

This new grip assembly and the plates supplied have been redesigned to provide a more accurate relationship between the arrow on the grip and the function words on the plates. The arrow and function words have also been repositioned so they can be more easily read from the operator's normal seating position. Select one of four throttle control plates supplied as indicated below depending on horsepower of engine being serviced.

H.P.	Use Plate Stamped
5.5 - 7.5	319213
9.5 - 10	319214
15 - 25	319215
35 - 40	319212
