

FOR SALE

1939 90hp Hercules Engine & Transmission

\$4,000

“k” Series Engine

Model #: QXD5M : Serial #: 711276

Background

- Professionally removed from my 1939 Chris Craft Utility restoration project
 - Traded the Chris Craft hull and trailer (towards a Gar Wood) but kept this engine

Restoration Completed June 2012

Jim Pierce / Marine Power Systems (Marathon, FL) performed the following:

- Stripped, cleaned, and prepped with OSPHO
- Primer and paint: removed all accessories; bead blast
- 6 volts to 12 volts conversion with added diodes
- Disassembled and rebuilt carburetor
- Disassembled, cleaned starter and generator
- New fuel pump and new fuel line
- New brass fitting for sea water pump
- New plugs and starter wires installed
- New exhaust elbow installed
- New hoses, new fittings, new clamps, etc.

Current Condition

- Fully operational
- Shrink wrapped and mounted on a pallet ready for transport
- Currently located in Oakland, CA
